Today we'd like to introduce you to Annetta Marion

Hi Annetta, thanks for joining us today. We'd love for you to start by introducing yourself.

My story has been the opposite of a straight and easy path! But it has been a fun one too.

I loved art when I was growing up in Western Pennsylvania. I was obsessed with drawing (rock stars mostly, Jim Morrison was my favorite), and decorating all my school books. I assumed I would go to art school after high school.
